**RIDER SCHEDULE NO. 2  
MUNICIPAL TAX ADJUSTMENT CLAUSE (TA)**

**2. MUNICIPAL TAX ADJUSTMENT CLAUSE (TA)**

2.1. The Company will pass on Municipal Taxes to Local Customers by adding to each monthly bill rendered a Local Customer, as a separate line item identified as "Municipal Franchise Adjustment," an amount calculated on an equal-per-meter basis determined in accordance with the following:

2.1.1. As used herein, the term "City Tax," or "Municipal Tax," refers to any and all privilege, occupation, franchise, meter, gross receipts or other tax or assessment of whatever kind and by whatever name (except ad valorem taxes) now and at any time hereafter levied on the Company by any Municipality.

2.1.2. "Municipality" refers to the local taxing authority imposing the Municipal Tax, whether city, town, village, unincorporated association, district, county or other authority authorized to impose same under present or future law.

2.1.3. "Local Customers" refers to the Company's customers in Oklahoma that are within the geographical boundaries or taxing authority of the Municipality; provided, that if a particular tax ordinance or other act imposing the Municipal Tax includes in its taxing impact any service locations that would otherwise not be considered a "Local Customer" hereunder, then such service will be included in the term Local Customer.

2.2. Notwithstanding the above, if a particular tax ordinance or other act imposing the Municipal Tax specifies a method of payment or collection other than on an equal-per-meter basis, then the method so specified shall be utilized under this Rider, provided such method results in the collection of taxes from Local Customers equal to the taxes levied on the Company.
