4. SMALL COMMERCIAL FIRM TRANSPORTATION SERVICE (SCS-1T)

4.1. AVAILABILITY

4.1.1. This rate schedule is available at points of adequate capacity and suitable pressure on the Company's existing facilities. This rate schedule is available to any consumer engaging in business, professional, institutional or other non-residential activity supplied at an individually metered point of delivery for all uses of gas. Natural gas supplied hereunder is for the individual use of the customer at the point of delivery and shall not be resold or shared with others. Standby service is not available under this rate schedule.

4.1.2. Gas consumption under this rate schedule is limited to 365,000 Ccf in any 12 consecutive month period. If at any time, it is anticipated, based on Company's estimate, that the customer will consume in excess of 365,000 Ccf per year in the succeeding 12 consecutive month period, the customer shall become subject to the applicable large commercial firm service rate schedule.

4.1.3. Company has historically allowed the volume usage of meters at business facilities under common ownership and subject to this rate schedule to be aggregated for the sole purpose of establishing eligibility for transportation as referenced in Part 3.1.3. of Rate Schedule LCS-1. Customers historically qualifying for transportation under this aggregation provision shall remain subject to the rates and charges under this rate schedule in addition to any additional specific rates, charges, or adjustment riders peculiar to the Transportation Supply Option set out in Rate Schedule LCS-1, such as, but not limited to, administrative fees. Customers aggregating volume shall be subject to all provisions and policies governing TSO option customers as specified in LCS-1, except as provided for herein. The TSO eligible customers qualifying under such

aggregation provision prior to September 21, 2002, will remain unchanged with respect to existing and new locations. Future aggregation for the purpose of qualification, except as otherwise referenced herein, is prohibited. Each individual account of historically qualified customers shall be treated as a separate account and shall be subject to the same rates and charges under the originating rate schedule, and are additionally subject to any specific rates, charges or riders specific to the TSO.

For the purpose of establishing eligibility for the Transportation Supply Option (“TSO”) defined in the LSC rate schedule, customers experiencing or anticipating an average daily demand of 25 MMBtu per day during the preceding or succeeding twelve months will be eligible for the TSO. Customers qualifying for transportation who choose the TSO shall be subject to rates and charges under the SCS-1 rate schedule, and are additionally subject to any additional specific rates, charges or riders specific to TSO.

- 4.1.4 Customers converting from transportation service to sales service will be required to contract for such sales services between the months of February through April preceding the expiration of the primary or any succeeding term of the Customer’s existing contract. Customers seeking to contract for sales service during the required time frame will be allowed to convert to sales service provided that the Company is able to secure firm upstream transportation capacity and other upstream pipeline services sufficient to meet the Customer’s needs. Any such conversion will be effective upon the expiration of the term of the Customer’s existing contract, unless the Company and the Customer agree otherwise.

4.1.5. Seasonal Transportation. Customer facilities experiencing more than 80% of annual load during the months April through October, and who experience or anticipate an average daily demand of more than 25 MMBtu per day during any consecutive 30-day period of the preceding or succeeding April through October, are eligible to transport on a seasonal basis. Customers meeting the aforementioned criteria, may elect the TSO option and choose a subsequent return to the SSO option only once during the calendar year. Customers electing the TSO option on a seasonal basis, pursuant to notice given prior to May 31st or thirty days prior to commencement of service, whichever is earlier, may receive transportation service for a continuous period of at least 30 days between April 1 and October 31. Customers electing the TSO option on a seasonal basis are subject to the TSO contract administration fee. Additionally, each participating location shall pay a \$300 set-up fee upon initial election and upon any subsequent return to transportation service.

4.2. RATES

4.2.1. Each customer receiving service under this rate schedule shall be charged the sum of (a), (b), and (c) as follows:

- (a) Monthly Customer Charge - \$13.00. The monthly customer charge shall be pro-rated in the months that the customer initiates and terminates gas service.
- (b) Contract Administration Fee:
TSO - \$350.00 per month
